APPLICATION PROCEDURE FOR ADMISSION TO THE MASTER'S PROGRAM
IN THE GRADUATE SCHOOL OF ENGINEERING
〔 INTERNATIONAL STUDENTS RECOMMENDED BY
ACADEMIC COOPERATION AGREEMENT UNIVERSITIES 〕
【 September Enrollment 】

Admission Policy

[Student image to seek]

Nagaoka University of Technology embraces the motto of "VOS" i.e., Vitality, Originality, and Services to the world.

Our master's program aims to nurture leading engineers and researchers with advanced practical and creative skills, empowering them to leverage information technology and adopt safety-conscious approaches on a global platform.

We invite students with the following characteristics to apply:

1. Students who have acquired fundamental knowledge and skills in various science and technology fields, along with information technology relevant to their area of expertise.
2. Students who aim to deepen their expertise through research activities and are eager to explore multiple fields to pioneer interdisciplinary fusion areas.
3. Students who can further contribute to technological development and research with a clear understanding of the interplay between technology, society, safety, and the environment.
4. Students who can communicate effectively with diverse people worldwide and actively engage in team collaboration.
5. Individuals who can think independently, take initiative, and make impartial judgments.

[Basic policy of Admission]

We widely recruit applicants. In order to provide applicants with multiple examination opportunities, we will conduct in-campus selection (recommendation, academic ability), general selection, selection for students recommended by KOSEN (National Institute of technology) who will have completed advanced courses, selection for currently employed applicants and selection for international students, etc.

To select students who meet our requirements, we evaluate applicants' abilities and qualities through interviews, including oral Q&A sessions, and documentary examinations.
